Dashboards Sample:

Super Admin/ admin/ manager login menu and sub menu sample:

The screenshot shows the application's main menu with two primary dropdowns: BMS and BVS. The BMS dropdown includes options like Applicant List, Ref.No, In Date, Customer, and a list of entries. The BVS dropdown is expanded, showing a list of sub-menus: Applicants, Customer, Batch, Verification, QC Verification, Data Entry, Budget, Sales Order, Invoice, Candidate, and Reports. Each sub-menu has a right-pointing arrow indicating further options. The Applicants sub-menu is further expanded, showing a list of options: Applicant List, Applicant (QC Complete), Insuff List, Interim List, Stop Check, Digital Address Check, and MIS Export. The background shows a form with fields for Name, To, and Code, and a table with columns for Code and customer.

**** Here Super admin have access to create users, admin, Manager logins, Customers, Over view the cases, Batches Etc...**

- 1. Create Customer/Client:** This customer details will capture in all flow and final report.
